“Austin, Texas, you are next.”

During one of these spontaneous extended meetings at IHOP, one of the leaders turned to the camera, looked into it and said---“Austin, Texas, you are next!!”

“I am about to shake Austin, Texas like I have never shaken a city before. What I am about to do in Austin will far exceed Azusa Street, Brownville, Lakewood, and even the New England revivals of the past-combined. For I have ordained the shaking of the United States to begin in Austin and spread throughout the nation as a wildfire, Church as you know it is about to end. Worship as you know it is about to change. Witnessing as you know it is about to become something you have never seen before. For I am going to save the United States. Every prayer that has been prayed for the United States, from the time of the Pilgrims to the present day, will be answered in your generation. The enemy’s grip on this country will be broken. Every evil spirit over every major city in the United States will be pulled down. My Glory will be visible over Austin and many other major cities at night. Heavenly Worship will continuously rise from every city in the United States. The industries of evil will cease operations. Los Angeles will be a city of Holiness. New York will be a city of Hope. Chicago will be a city of Righteous Government. Detroit will be a city of My Prosperity. Las Vegas will be a city of prayer. Dallas will be a city of Giving and Blessing. Houston will be a city of Racial Unity. Cleveland will be a city of Rejoicing. Miami and Philadelphia will be cities of Love. Washington DC will be a city of Honor and Righteous Government.

“But Austin will be My Prophetic City, and many prophets will be sent out from there to speak the Words of My Throne. For this is the Day the United States returns to being a Light on a Hill, and from there I will send forth the Greatest Missionary movement ever seen on the face of the earth. She has been a force of military power, now she will be a force of spiritual power, for My Bride will pray prayers from the United States that will cause strongholds all over the world to fall as I make the enemies of My Son His footstool.

“To My Church in the United States – I am restoring Her to what I meant for Her to be. The ways of man are over. The political spirit in My Church turns my stomach. The religious spirit in My Church causes My Anger to grow. So you in the Church in America must now decide which way you want to go. You must choose. Will you seek the honor that comes from man, or Honor that comes from Me. For My Bride will be adorned with My Glory, and in My Church it will be on earth as it is in Heaven, and you must decide if you will follow My Son or the world this day. For I am restoring Heavenly Order to My Bride, and the ways of man will no longer stand. Ananias and Sapphira will no longer feel comfortable in your churches. And those who will be held accountable are those who operate in the five fold ministry. The Apostles, Prophets, Pastors, Evangelists and Teachers will need to seek my face and repent of any sins they now harbor. For I am a Holy God, and My Glory will cover the face of the earth, and I am restoring Heavenly Order to My Bride, because I will display My Power on the earth as never been seen, so all will know that I am God, and that I gave My Son for their salvation. For these are the days just before My Return, and My Bride must make herself ready. My Bride must become full of My Word, because My Word cleanses from the World, and when I am done, She will shine with My Glory, and millions will see it and be saved.”
